Eid Mubarak

This week, we enjoyed learning about Eid and hearing how our friends celebrate this special time with their families. We hope everyone who celebrated had a wonderful time.

It is with great sadness.....

.....that I have to inform you that Mrs Earley, a highly respected and much-loved member of our team, has died. She had become increasingly poorly over the last few months and died peacefully, with her family at her side.

On behalf of the Salterhebble community we have expressed our sympathy to her family.

Curriculum Information

This week, you will have been emailed a Curriculum Information Sheet for your child/ren. I hope that you find this useful in providing information about the class curriculum content this term and that it helps you to support your child/ren in their learning.

Statutory Assessments

The summer term is a very busy one due to statutory assessments for pupils in several year groups.

KS2 SATS for Y6 pupils: Monday 13th May to Thursday 16th May

Multiplication tables check Y4 pupils: Week beginning 10th June

Staffing Update

During the Easter holiday, I am delighted to inform you that Miss Abson got married and has returned to school as Mrs Spink. I am sure you will join us all in congratulating the happy couple and wishing them a lifetime of married bliss!

Online Safety Newsletter

Please find attached the April edition of our online safety newsletter. Please take time to read the advice which focuses upon Poppy Playtime, Cyberbullying and TikTok.

Parking

We have once again had a complaint from a local resident regarding parents parking on Stafford Square in a space which is for residents only. One resident said that her drive has been blocked and she could not actually get on to her own drive.

Please be considerate when parking up at the beginning and end of the school day. There are only approximately 8 spaces on Stafford Square available for non-residents. The church car park should also not be used—it is for the groups who use the church only.

**Attendance cup for the week ending
Friday 12th April 2024**

School Target - 96.0%

Actual 92.6%

**The winners this week with
98.2% is Class 4**

Reception Class - 92.2%

Class 1 - 88.3%

Year 2 - 92.0%

Year 3 - 96.6%

Class 5 - 95.0%

Year 6 - 84.4%
