Autumn Term

13th September 2019

Dear Parents,

As always we are offering a varied selection of after school clubs to extend the curriculum in a number of areas. There are twelve clubs on offer this half term. We have taken into account your views about out of school clubs from the survey we undertook last year and as a result we have included a number of all-age clubs. A few clubs have been well subscribed to but others have only a few children signed up; particularly the sports clubs. As a result, Ultimate Frisbee, a new and exciting addition, and High-5 will have to be cancelled and others are under review unless remaining places are taken up by next week. This is disappointing, especially as the sports clubs help us maintain our Gold Schools' Games Mark Award which we are proud to have held for a number of years now. Sports clubs also feed in to our school sports teams which are an important aspect of our provision.

Please take another look at the clubs on offer and let the Office know if you would like to book a place. **All Clubs start next week.** Please check the finish times as these differ.

Next Wednesday, 18th September, we are holding our annual Curriculum Evening when parents have the opportunity to meet their child's teacher and hear all about the curriculum covered and routines and procedures in each class. As I wrote last week, we are holding a 30 minute briefing about Reading across KS1 and KS2 at 5:30pm before the KS1 and KS2 class meetings at 6:00pm and repeat KS2 class meetings at 6:30pm for parents with children in different year groups. I look forward to seeing parents at all these important meetings.

We are again supporting a number of charities in school this year, the first of which is next Friday, 20th September, when children are invited to wear 'Jeans for Genes' and make a contribution to the charity which carries out vital work to support children affected by a life-altering genetic disorder.

The nursing team have asked that you return to school as soon as possible, the forms issued this week. They would like your form even if you are not giving consent for the vaccination.

Aldi's 'Kit for Schools'

From 6th September, for every £30 you spend in an Aldi store, you will receive a Team GB Sticker. If you shop at Aldi and receive these stickers, please could you send them to school. The stickers will be placed on a poster and once the poster is completed (300 stickers), we will send the poster off and receive an exclusive sports kit. We will also then be in with a chance to be one of the 20 schools who will win a £20,000 cash prize.

This campaign is also to encourage a healthy lifestyle for families—for further information, please visit <https://www.aldi.co.uk/kitforschools>
