

HYGIENE AND HAND WASHING

We have been advised that a small number of children have been treated for impetigo and threadworms.

Please could you help us to help your child by reiterating the importance of handwashing and hygiene to minimise the spread of infections.

Thank you for your co-operation in this matter.

Reading Books

More and more reading books are coming back to school damaged due to water bottles leaking.

Please remind your child/ren that water bottles should not be put in their bags with their books.

You will be charged for any damaged books at a cost of £5.00 (books for higher up the school may cost slightly more).

After School Clubs

We will be sending out letters on either Monday or Tuesday regarding clubs for next half term.

Please look out for the letter in your child's bag early next week.

YOUNG VOICES

On Thursday, 19 of our KS2 children took the opportunity to be part of the Young Voices Choir at Manchester Arena. 7,896 children made up the choir who sang songs as a full choir and also together with Tony Hadley, The Shires and Ruti Olajugbagbe. Urban Tribes performed some amazing dance moves which the children enjoyed every bit as much as the singing.

What an absolutely wonderful night was had by all!

Swimming—Year 4

As part of our water safety sessions, the children will need to bring a full set of clothes (not jeans) to wear in the pool on Wednesday 5th February. The aim is that the sessions allows them to understand how it might feel to fall into water fully dressed and what to do to get to safety.
